**Lomita Cub Pack Tours Harbor For Close Look at Navy Ships**

By ALICE PALCZEWSKI DA 6-0788

Cub Scout Pack 2535 cruised the harbor waters and got close looks at the huge naval ships anchored in the area. After the cruise the Cubs and their families had a campfire dinner. Michael Matlock was awarded the Bear badge, Dean Jensen, the Assistant Denner stripe, and Tony Stowe was awarded the Denner stripe.

The Cubes on the occasion were David Scrivner, Erastley and Robby Geurin, Mike and Butch Bradshaw, Eddie Hansen, Emmitt Foster, Michael Matlock, Tony Stowe, Steven Mead, Robert Stockwell, Gary and Dean Jensen, Ronald Acker, Ray and Roy Allen, and Eddie Mata.

The boats for the outing were furnished by Cub Master Glenn Scrivner and Ray Hansen.

The Beebe Carpenter singers, dancers and pantomimists highlighted the 45 minute program of community singing of the Harbor City-Lomita Community Sing last Friday.

Mark Cook was the guest director and Verna Flynn was the accompanist. The sing was held in the Harbor City Elementary School auditorium.

The Baronets, a newly formed teen age club, held a record dance Tuesday night under the auspices of the Lomita Park Teen-age Club.

The new club is headed by Irene Almeda as president. Other officers are Mavis Madock, Maurice Mendoza, Cathy Fitzgerald and Elsie Madrid. The club, which meets each Tuesday night at the Lomita Park, is under the sponsorship of Mrs. Jean Boyle. New members are invited.

John Nixon was the speaker for the Wednesday night Optimist Club meeting held at

the Wayfarers Restaurant. Nixon discussed "Boy With Knife."

The Optimist service club is sponsoring the current "Miss Lomita" pageant.

Other programs slated for the club will be a movie depicting the kelp industry, "Harvest of the Sea," which will be shown on Aug. 15. Next Wednesday the 1956 *Wishes* program will be highlighted in a film, "The Olympic Story." On Aug. 29, Joe Cooper has been asked to discuss the Wine Advisory Board.

Keith Diffeo, of 1716 256th St., celebrated his fifth birthday last Saturday with a party at his home.

A Davy Crockett theme was carried out in the paper plates and table service. The favorite children's games of "Who's Got the Button," London Bridge, and others were played.

Guests were Judy and Ginger Balch, Terri Lee Jones, Steven and Douglas Holder, Jay Dudley, Gary and Donna Rae Hansen, Patsey Gerhart, Robby Geurin and Larry Franck.

Guest speaker at the Lion's meeting Monday was Loman Carter. Carter spoke on the duties of committee chairmen. The Lions meet every Monday at the Wayfarers Restaurant for a combined dinner and business meeting.

The Phi Sigma Phi Sorority, Zeta Chapter, held a business meeting at the home of Mrs. H. T. Rogers in Harbor City. The president of the sorority, Mrs. R. W. Gerhart conducted. Refreshments were served by Mrs. Rogers.

The Eastern Stars will be "dark" throughout the month

of August. The discontinuance of activities is arranged to give all members a chance to go on vacation without missing any of the activities.

The Eastern Stars will resume activities with a Brother's night scheduled for Sept. 7th. Edward Peterson, associate patron, will be chairman for the evening.

Mr. and Mrs. Verne Diffeo and children, Gary, Gwen, and Keith left during the first part of July on a "camping out" vacation trip.

The Diffeos motored up the coast to Santa Rosa where they spent four days with Mr. and Mrs. Ivon Hicks, and son, Danny. (The Hicks are former residents of Harbor City). While there they took an intensive tour of San Francisco and bay area points of interest. Leaving the bay area the family traveled the Redwood Hwy. to Eureka and on to Redding where they visited the Shasta Dam. From the dam their route took them to Mr. Lassen National Park.

The Diffeos learned that the park has the only active volcano in the United States. While there they played in snow which drifted up to 20 feet and saw frozen lakes. The children investigated a snow ball fight and slid down slopes, minus sleds. From the snowy regions of Mt. Lassen they descended to Lake Tahoe. Here they visited the famous Virginia City and the smallest capitol, Carson City, Nev.; Squaw Valley, and other points of interest around the lake.

During the three weeks the Diffeos were on the road, only three nights were spent in a motel. The other nights were spent camping in areas close to points of interest.

Ribbons granted at the Lomita Park Doll Show last week went to Kathy Sellers, best

Diane Brickman had the largest collection of stuffed dolls. Susanne Morris won in the foreign doll category with a Japanese doll.

A story book doll of Miss Ireland, was given to Mary Jo Humting. Judging the contest were Mrs. Jean Boyle and Jean Foy.

The Western Ave. Baptist Church will gather at the Children's Baptist Home in Inglewood for their annual church picnic.

Rev. Walter Graham, who returned only Thursday from vacation, will be in charge of the games and activities. One feature he has lined up is a rolling pin throwing contest for the ladies.

The choir of the Western Ave. Baptist Church met in the home of Ester Howe last week to discuss their future activities. After the business portion of the meeting was over, the group sat around the fireplace roasting marshmallows and singing.

Prior to the gathering at the Howe home, the choir had held its regular rehearsal at the church. The rehearsal was the first held in a month so that members could go on their vacations.

The Phillies of the Babe Ruth League took the championship when the Senators beat the Red Sox 7 to 2 in the last game of the season, Aug. 2.

The teams in order of their placing are Phillies, Red Sox, Cardinals, Senators, White Sox, and the Braves.

**Plenty of Zip at a pip of a price**

*(It's a great time to buy a Buick!)*

**SERIOUSLY**—where else can you get so much snap and ginger at such a peach of a price?

Where else can you get a big, high-powered, steady-riding hardtop like this '56 Buick Riviera—at a figure that's pretty close to what they're asking for similar models of the well-known smaller cars?

Nowhere else that we know of—which is one big reason why Buick outsells all others cars in America except two of those smaller cars.

**BUT RIGHT ALONG** with low price is something else behind Buick's big success: Buick is a lot more automobile for the money.

It gives you more room and luxury—more zip and power thrill—fine handling and sure-footed stability.

And it gives you something you can get in no other car—today's advanced new Variable Pitch Dynaflow.\* It's

the only transmission in the world with the cruising thrift and the switch-pitch safety-surge taken from the modern plane's propeller.

So why wait any longer—when the time to take action is now, so you can start enjoying all the golden months of summer and fall in a new '56 Buick?

Now—when Buick prices are as low as—perhaps lower than—they'll ever be again.

Now—when your present car is at its peak of worth—and when today's high volume '56 Buick sales permit us to make you an even better trade-in allowance.

Come see us—and look into the car that puts you years ahead right now.

Come see us today—and discover the dilly of a deal that will make you wonder why on earth you waited as long as you did.

\*New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
